The content and platforms available at SUNY's Ready-to-Adopt catalog, including the content you are receiving, meet or exceed current accessibility standards.

SUNY campuses and SUNY faculty engaged in the revising or remixing of open content and/or creating new open content assume the responsibility for proactively adhering to accessibility design principles and practices and be in compliance with the Web Content Accessibility Guidelines (WCAG) 2.2. That incurred responsibility includes directly responding to issues that may arise in accordance with SUNY's Electronic Information Technology Accessibility Policy

To learn more about creating accessible open content you are encouraged to review the BC Campus Open Education Accessiblity Toolkit, 2nd Edition.

SOS strives to improve the learning experience for everyone by applying the relevant accessibility standards. We welcome feedback, especially related to access barriers. Those requiring additional support or alternative accessible formats, are asked to please email oer@suny.edu.
